

# Collaboration and Advocacy: Keys to Addressing Library Challenges

Courtright Memorial Library staff discovered commonalities in library challenges and solutions with colleagues around the globe. View the challenges and positive movements identified when the 2018 and 2019 IFLA/OCLC Fellowship Program and CML librarians convened, and share your input.

## Top Challenges

### Overall

\*Other: Lack of reading culture (3%); Bureaucracy (2%); Library policy (2%)

### Otterbein
